**Movment** are an alternative post punk band from Ireland.

**Movment** are dark, strong, immediate, and real. Through their music you meet them face to face. Movment observe life and offer their unique view on living. Movment mean what they say.

The new single **I Believe in Noise** explores how sound & songs have a deep impact on their reality. We are bombarded with information, opinions, viewpoints, and words. Movment drown in ideas, in solutions, in creation. They seek wisdom, knowledge, and enlightenment. On their new single **MOVMENT** have been renewed, restored. It is a **REINVENTION**.

Guitars and Bass and Drums and Synths are at the heart of the **MOVMENT** sound.

### Lineup:

Martin Kelly – Vocals, Drums.

Kevin Kelly – Guitars, Bass, Keyboards

Mark Kelly – Bass

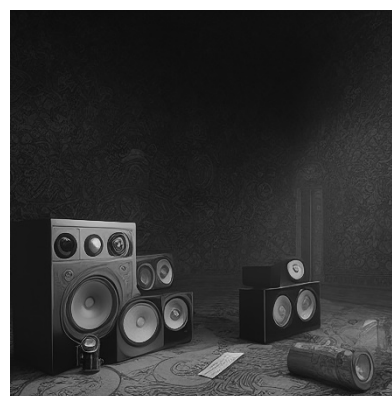

Isabella Rowden Kelly – Guitars

**Movment** create music, sounds and noise that is straightforward and they tell it like it is. They use drums, bass, guitars, synths, and tools that excite them. Atmosphere, turbulence, and truthfulness are at the heart of what they do. Listen to their music to find out more.

The 3rd **MOVMENT** Album **REINVENTION** will be available from EPICTRONIC and on Bandcamp in November 2023.
